- Whether there is sufficient liquidity in your estate to settle your debts, taxes and estate administration costs and to provide for the financial security of your family? If insufficient, how this can be remedied?
- Whether any estate duty for which you may be liable has been minimised.
- How you should provide for your maintenance obligations in terms of your divorce order.
- The formation of a testamentary trust to manage any assets being awarded to a minor beneficiary and the appointment of trustees to manage the same.
- The appointment of a guardian for minor children.
